

Revision Report

- XXXII.** *Ornatam monilibus filiam Ierusalem*
B.30, C I: the second note at the parallel point in b.43 is not dotted.
- XXXV.** *Vidi speciosam*
B.41, A II: in the original edition the final two notes are minims, the same at the parallel point in b.62.
B.42, B II: in the original edition the first two notes are minims, the same at the parallel point in b.63.
- XXXVI.** *Quasi cedrus*
In the original edition the two basses are interchanged.
B.33, C I: in the original edition the final note has a sharp, which produces a simultaneous cross-relation with A. By raising the pitch of the note in alto a sequence of an augmented second would be entailed.
B.54, T: at the parallel point in b.58 the second note has a natural.
- XXXVII.** *Sancta et immaculata virginitas*
B.31, B: in the original edition a flat before the first note is missing; correct rendition at the parallel point in b.56.
B.54, A: at the parallel point in b.29 the second note has a sharp.
- XXXVIII.** *Beata es virgo Maria*
In the original edition the two basses are termed superior and inferior.
B.28, C I and B I: in the original edition a semibreve rest is missing.
B.32, C II: in the original edition a sharp is placed before the third note, which produces a simultaneous cross-relation with A. By raising the pitch of the note in alto a sequence of an augmented second would be entailed.

- XXXIX.** *Ave Maria*
B.5, B; b.6, A II; b.7, T II: on account of the thematic material the first note at all these points should be E flat.
B.19, A II: at the parallel point in b.40 the third note has a sharp.
B.26, C I: in the original edition the second note is A, the same at the parallel point in b.47.
B.55, C I: articulation of the text different from that at the parallel point in b.34.
- XL.** *Isti sunt qui viventes in carne*
B.4, C II: the natural before the first note is probably a cautionary accidental cancelling the “Nota super la” rule.
B.11, C II: in the original edition the final note is a quaver.
- XLIII.** *In omnem terram exivit sonus*
In the original edition the two basses are interchanged.
- XLIV.** *Valde honorandus est*
In the C, A and T I parts of the original edition the motet is numbered XXXIV by mistake.
