ANNO M. D. LXXX.

ADMODVM REVEREN-
DO IN CHRISTO PATRI DOMINO. D. CASPARO,
ABBATI ZABRDOVICENSI AC SYLOENSI DIGNISSIMO, &C.
PATRONO SVO PLVRIMVM HONORANDO.

S. D.

SINGVLARIS IN MVSICAM ANIMVS, VIR VENERANDE, & summa erga me voluntas tua, non verbis (quod penè est omnium) significata, sed re ipsa (quod paucorum est) persæpè probata, nescio quam à me curam requirit, cùm prouidendi vt quàm gratissimus cognosceret, tùm cauendi ne vnus sordidi cōtēptoris aut callidi dissimulantis improbitate violata fides lāguescat. Quā ego cōscientiæ vrgentis tacitam vocem etsi serò secutus sum, nunquam tamen abieci, imo verò alui & occultaui tantisper dum paruorum conatuum spes non fortunæ calore, sed prouidentissimi DEI subsidio prouecta in aliquam tandem frugem emergeret. Huius iam partem decerptā REVERENDISS. Olomūcensi nostro Antistiti obtuli, tibi alterā mitto : quæ si fortè (quod valdè metuo) crudior uidebitur, oro ne continuò respuas, sed vt tibi quidem addictissimæ at nondum satis excoctæ // adolescentiæ primos fructus liba; Scis enim quæ gustatū peracerba sunt, nonnunquam

nunquam colore & odore sensum tenere, donec amici complexu maturata dulcescant. Magnū tibi cum hoc exercitationis genere negotiū semper & honestum fuit, mirificus in Musicos sensus & inclinatio; quod ego ijs diebus quibus & tecū cōmoratus & à te liberaliter acceptus sum perspexi, plurimi nōrunt, familia loquitur, quæ Musicæ ignarum nescit. Hoc tuæ prudentiæ est, qua non tā quæris quod aures ad horulam vanè mulceat, quàm vnde præpotentis DEI domus niteat, cultus accrescat, maiestas illustretur. Neq; te Græcorum (puto) ardor penè supersticiosus tantū cōmouit, quibus Themistocles indoctior visus quod in epulis Lyrā, // scilicet, recusasset, apud quos Musici floruerunt, discebantq; omnes, quod qui nesciebat, excultus doctrina minus credebatur: Non (inquam) horum exemplum tanti apud te valet, vt non vehementius commoueāre illa sapientis voce aduersus omnes Musicæ æmulos intenta, Non impedias Musicam. Huic tu monenti sic pares, vt quod ille impediri vetat, tu etiam omni cura augeas. Quare Pater & Patrone obseruandissime, accipe hanc non obligationem novorum sed veterum tuorum in me meritorum testificationem, nam ne illius in me nota nullitis adhærescat, cui quod erga hospitem ingratus fuisset, Macedo Philippus inuri has literas iussit, Ingratus hospes, tua officia non solum non negabo, sed & meminero & prædicabo semper. Pragæ die omnibus Sanctis sacro. ANNO 1580.

The musical score consists of four staves of music. The first staff begins with a large, decorated initial 'K' and is followed by the text 'Yrie eleison' and four 'ij' markings. The second staff begins with a smaller 'ij.' marking, followed by a decorated initial 'C', then 'Hriste eleison' and four 'ij' markings. The third staff begins with an 'ij' marking, followed by three 'ij' markings. The fourth staff begins with a large, decorated initial 'K' and is followed by 'Yrie eleison' and six 'ij' markings. The music is written in a medieval style with square notes on a four-line staff.
